Hello to everyone!!!

Well, it is hard to believe but this will be the last article that I will write as Phi Delta Kappa's National President. I can't wait to attend this year's National Convention at Gamma Lambda Michigan City. Gamma Lambda is celebrating their Chapter's 100th anniversary and I know they will do a bang-up job. They have a great chapter and have always treated their guests to a wonderful time. It is rather ironic that the convention to celebrate my final time as president is being held in Michigan City, as I also attended my first convention there 11 years ago. A fitting end to my time in the chairs.

I want to thank all of the S.E.C officer and their wives for all that they have done and accomplished in the last year and their dedication to Phi Delta Kappa is much appreciated. A BIG thanks goes to Beta Eta Winchester and of their members for supporting me during my journey through the chairs, they are the best. I also received lots of advice and support over the last 6 years from PNPs Scott Dull, Jeff Woolf, Todd Gullett, Bruce Smith, Doug Leach, Chris Parks, and Pappy Reid. In addition to the PNPs, I couldn't have gotten through the last year without our National Secretary/Treasurer Zeke Horner. Zeke was always available to answer all my questions and offer his advice. Zeke you deserve a raise!!! I also want to thank our current National Sweetheart Kathy Horner for all of the events that she attended. Her big, bright smile was always a welcome sight. Finally, Greg Taylor deserves a huge thank you for his work on the National Magazine. It can't be easy and he does a great job.

The last 6 years have flown by and have been some of the greatest in my life. Julie and I enjoyed visiting all of the chapters and getting to see old friends and make new ones. All of the brothers and sweethearts of Phi Delta Kappa make this fraternity one of the best. The outpouring of love and brotherhood has made my time in the chairs a great experience.

Now for the most important part of this final letter is to thank my sweetheart, Julie. She has been there with me every step of the way as I began my journey as a National Officer. She was my GPS for all of our trips and my fashion consultant making sure that I had all of my suits and tuxes ready. She made sure I didn't forget my socks or my pins for my jackets. She would switch out the pins for each occasion making sure they were straight, and she had to tie my tie for me on many occasions. She also acted as my secretary editing and making sense of my scribbles and finally typing up my newsletter articles. Without her help and love I would have been lost. I will never be able to repay her for all she has done during the last 6 years...I love you bunches and you are the best sweetheart ever.

In closing I want to thank all of YOU for everything you do for Phi Delt Kappa. I look forward to becoming a PNP and passing the torch to Johnny King. Just know brother I am only a phone call away!!!

Proud to be a Phi Delt,
Butch Rhonemus

Hello from Mississippi Alpha,

I hope this article finds all my Brothers and Sweethearts doing well and in good health.

On Saturday, May 21st, we lost Walter Staniscavage. As all of you know, Walter was a true Phi Delt and a Brother and friend to everyone. He crossed the sands of the desert for the last time. Condolences to Vicki and family. He will truly be missed. RIP my Brother.

Pam and I attended our first Northern Chapter Chase this year. Needless to say, it will not be our last. We had a great time, except for the blown tire on the bus. LOL.

Also in May, we attended Southern District meeting hosted by Florida Nu. We also attended a Wednesday night business meeting while we were there, but the highlight of our trip, was the memorial for Brother Walter McCall. It was very moving and the attendance was good. Great job to all of you at Florida Nu.

Well, it is finally here, our 116th National Convention, hosted by Gamma Lambda, Michigan City. It promises to be a great convention. We are looking forward to seeing all of you there. Brother Robert Crenshaw, AKA Greg Almand, and myself are going to try our hand at fishing on the Great Lakes. You all wish us luck.

Everyone remember to purchase your 20/20 tickets. There is big money this month for someone to win. You cannot win if you do not play. See any National Officer and they will be happy to assist you.

There will not be a newsletter next month, so I will see you in September.

*Proud to be a Phi Delt,
Johnny King*

Hello from FL NU

Kelly and I are preparing for a big change in our lives.

We are planning our move from Florida to Mississippi and we are really excited about our new journey. It is awesome to know that we are making such a big transition with such good friends.

I am going to miss my Florida friends so much and our heart will always be at FL NU but it is time for a change and we are looking forward to it. We have found the house of our dreams and we are so excited about going.

Safe travels.

Thank You,

Greetings Brothers and Sweethearts,

Vonda and I want to wish everyone a happy and safe Fourth of July.

Hard to believe it is July already and with that comes the Phi Delta Kappa National Convention. Gamma Lambda will be hosting it this year and I hope to see a great turnout . The folks there are working hard to make it enjoyable for all of you that come.I want to thank our National President Butch Rhonemus and his wife Julie for their time and effort. It has been great working with you. I want to ask all of you for your support and vote for National Master of Ceremonies and I would also like to ask for your support and vote for Charles Berger of Beta Eta for National Outer Guard.

I want to welcome two new brothers to Beta Eta. Richard Edmonson and Andrew Hart. Welcome aboard brothers and congratulations.

In May I traveled to Gamma Theta along with Scott Dull, Butch Marshall and James Magee to observe an initiation of a new member. After the initiation we stayed for a few drinks and some beer dogs. Always good to chat with the guys there. Also in May Vonda and I traveled to Gamma Lambda for their 100th Anniversary Party. Butch and Judy Marshall and Charles and Ana Berger also made the trip. The folks there put on a great party. The evening opened with a short presentation and then a great meal of City chicken, mashed potatoes, poor man pierogies, green bean casserole, rice pilaf, roll and dessert with a lot of dancing and a little drinking to finish up the evening. Thank you all for a great evening. I also want to thank Mike Eldridge for hooking me up with a couple bottles of Leroux. We will be able to fix you guys up when you visit our chapter.

As I mentioned in last month's article I am the coordinator for the National 20/20 Drawing. Here are the winners for weeks 7 thru 10.

Week 7 - Delta Nu \$25 Allen Cockerill \$50
 Week 8 - Lambda \$25 Allen Cockerill \$50
 Week 9 - Pam King \$25 Bing Taylor \$50
 Week 10 - Ernie Kelly, Vonda Detro, Kim Collins, Ana Berger & Diana Dull \$25, Tim Reynolds \$50
 There is still time to get your tickets for the 20/20 drawing. See any National Officer to get yours.

On a sadder note Walter Staniscavage of Mississippi Alpha passed away. Vonda and I want to extend our condolences to his family and his Phi Delt family.

In closing, here is a little past history. Robert F. Kiser was elected as National President of Phi Delta Kappa in 1922. Til next time,

Proud to be a Phi Delt,

CONVENTION IS HERE AT LAST!!!!

Hello from Fla Alpha Lambda,

It's time for the 116th National Convention and thank you to Gamma Lambda for hosting this year. We are all looking forward to seeing everyone and celebrating this past year's accomplishments.

I want to thank Kathy Horner our National Sweetheart. She is amazing and supportive to all the chapters.

An article written in the Red & Black magazine on July 1921 from J.W. McHoffie, President of Gamma Theta wrote:

"It has been some time since I wrote about the doing of Gamma Theta chapter. However, we are not dead and as one the Brother stated at our meeting last night it was on the best chapter s and that the meeting was the best we had ever held. Be that as it may we are still striving to uphold the name and do our national organization all the possible good that we can."

Let us all embrace this thought and be sure to be there for one another as we build each up to take PDK to the next level.

Remember to purchase your 20/20 tickets. The big drawing is this month.

I will close for now. I'm looking forward to seeing everyone in Michigan City in the casino!

Proud to be a Phi Delt,
Chris Lawrence

Greetings from Mississippi Alpha

I hope this article finds you well and not just surviving, but thriving in all aspects of our life. I just returned from the Southern District at Florida NU. This was one of the best trips that I have experienced since joining this great Fraternity. Melinda and I spent twelve days in beautiful West Palm Beach. During my stay I had the chance to attend their annual Kentucky Derby Party followed by Mother's Day Celebration the following day. Wednesday Johnny King and I had the opportunity to attend one of Florida NU's weekly business meetings. I can honestly say that it was professional, organized and productive. Great job guys. The following weekend was full of Southern District festivities which was a great success. During Saturday night's feast we had a celebration of life for Brother Walter McCall. It was such a beautiful way to remember one of the greats of Phi Delta Kappa.

We at Mississippi Alpha lost a legend among all of us in Phi Delta Kappa. Brother Walter Staniscavage has crossed the Desert for his final caravan. To know Walter was to love him. He touched each and all that had the privilege of meeting him. Please pray for his wife Vicki and his family.

We celebrate our independence and the birth of this great nation we call ours. Many of us do not realize the freedoms we enjoy just by being born here. Freedoms our forefathers made undeniable by adding them directly to the governing document of this country, our constitution. We are able to be members of this fraternity because our constitution gives us that right; Freedom to assemble and the freedom to meet in secret. We are able to read this publication because they gave us the freedom of speech. There are many other freedoms that many of us take for granted, day in and day out.

(Continued on Page 15)

Greetings Brothers and Sweethearts,

Well convention time is here! Just a reminder, if your chapter hasn't submitted you nomination for Chapter President of the Year, please get them to Vice President Johnny King.

I want to thank President Butch Rhonemus for his work this year. Enjoy your time as the next 'has-been'! :)

Cristal and I are getting our ducks in a row for convention and are very anxious to see every one. I am looking forward to seeing great things from Gamma Lambda this year. If you haven't sent your registration, get them in now...

As expressed in a previous article, I am wanting to start up Brotherhood meetings again. Beta Nu has more details to be forthcoming once finalized, so keep an eye out for them in a near future edition. We are shooting for a late-summer, early fall timeline.

Until we meet again, here is some food for thought...

I am very thankful to be a citizen of the United States of America, not just on this day, but each day of each year. I hope you are too.

As a fraternity, Phi Delta Kappa ends the fraternal year this month as well. We gather together in a given location, convene for two meetings to conduct business and elect the officers we want to lead us through the next twelve months. We celebrate the advances we have made in the previous twelve months and honor those among us we find worthy of honoring. It is a fairly productive 3 days for the fraternity.

This year, I will be seeking the office of Sergeant at Arms. I once again have been given the backing of my home chapter to run for this office. I thank them for their trust and support.

I know it seems as if it is an automatic progression through the offices. I truly wish that were not the case. I would love to see more than one person wanting to hold each office which would give greater insight into the day to day workings of the fraternity and get the officers as well as all membership more involved in the things that have to be done to make our fraternity survive.

Please do not forget to contact me or a fellow National Officer to get your 20/20 tickets. You can't win if you don't play. If any of you out there need help or just need to talk call me at 601-416-8610.

“The Phi Delt Way” What Does It Mean To You? By Tom Ferrales, Florida Nu

Hello to all, if your reading this article , most likely your a Phi Delta Kappa, a Family member or a close friend of a Phi Delta Kappa.

“ The Phi Delt Way” What does it mean to you?

Amongst many of the meanings that come to mind are..... Brotherhood, Fraternity, Charity, Leadership and obviously the qualities that every Brother should strive to exemplify, Love, Strength and Nobility.

Phi Delta Kappa as a Fraternity has a long and rich history that has evolved over the years. Since its inception over 100 years ago the values and core principles have remained the same. Phi Delta Kappa is a Men's Charitable Fraternity promoting Brotherhood and Charity within our communities.

Regardless of how long you have enjoyed and participated as a member, from the time you were initiated, we are very aware of the Fraternities core values and objectives within our chapters and communities.

Promoting and fostering Brotherhood and charity are the foundation and backbone that We strive for as a Fraternity. In and within an ever changing world filled with violence , a breakdown of family values and ever increasing disparity among the classes, whether they are social, economic, educational or political it is incumbent upon each and every one of us to overcome these obstacles and become Friends, Helpers and Brothers to each other.

By applying Love, Strength and Nobility, We will bridge the gap and overcome our differences. Learn to appreciate the differences that make us individuals and special Brothers in a special Brotherhood.

Starting with myself , I encourage all to strive to live and exemplify the Phi Delt Way.

Much Love to All my Brothers

Hello Brothers and Sweethearts,

It's July and that means Independence Day or 4th of July, the annual celebration of our nationhood. It's a time we should thank God that we are Americans. Fly your flag and thank a Veteran!

In February, Beta Eta, my home chapter, held the National Sweetheart Dinner and Dance. Scott Dull and his crew served a great prime rib dinner. Excellent meal, Scott! I would like to thank Beta Eta for the beautiful roses, charm and album. Also, thank you Beta Nu for the beautiful charm and chocolate as well. Congratulations to Brenda Hobson for being crowned Beta Eta's chapter Sweetheart and Derry Hobson, King. Both well deserved honors.

Our next adventure, took us down south to Seralago Winter Retreat, hosted by Florida Alpha Lambda. This was our first time attending and what a party it was. Wonderful food, great hospitality room and laughter had by all. Great job! Thank you to both Florida Mu, and Florida Nu, for the beautiful charms to add to my bracelet, and Jacki Parks for the awesome lighted crown cowboy hat.

In April, Beta Eta held their 110th Anniversary Dinner/Dance celebration, honoring the members who work hard and endless hours making the chapter a great place to enjoy. An excellent meal consisting of smoked pork chop, baked potato, green beans, salad, roll and dessert, cooked by John Davis, Jerry Fair and Rodney Miller was outstanding! Emir, Coach Ron Anderson emceed the evening's events. Many were recognized for their years in Phi Delta Kappa. President, Monty Blackburn presented Kenny Collins as Phi Delta of the year.

The highlight of the evening was the recognition and celebration of 75 year member Fred Armstrong. Fred is one of the most distinguished, respected, gracious, kind, caring, and all around enjoyable person to be around. It's always a pleasure to walk into the chapter house to see him sitting in his bar stool with a smile on his face. It was an enjoyable evening listening to his speech, seeing a plaque created in his honor that is now on display in the chapter house, and an honor for me to have our picture together.

End of April was the annual Chapter Chase. This was our first year attending. Our first stop was Kokomo Beta Nu where we joined Gamma Theta and Mississippi Alpha for breakfast. I enjoyed seeing and catching up with everyone. Thank you Beta Nu for a great breakfast of sausage gravy and biscuits, fried potatoes, scrambled eggs, sausage, and donuts. Great job guys! Delicious!

Our next stop was Peru Lambda. Up on our arrival, we all got the grand tour of the chapter house along with the upstairs equipped with a "Fireman Pole" in the center of the room. After that adventure, we enjoyed the rest of our visit with drinks, laughter, a wonderful lunch of hamburgers, hot dogs, sloppy joe's and sides. Thank you Peru Lambda.

Moving on down the road to our next stop, Plymouth Delta Nu, some of the ladies hitched a ride on the Colts Bus! Charles Berger was our driver, Scott Dull was our navigator, and Ana Berger was our DJ for the adult sing along video. Talk about a blast, adult beverages, loud singing, laughing until we cried made for a great bus ride. Cheers to Charles Berger for putting up with us, and getting us to Plymouth safely. Once we arrived at Delta Nu, we were treated to ham & beans, corn bread, ham sandwiches and sides. I was able to meet new members and I enjoyed my visit at Delta Nu. Great hospitality! Thank you Delta Nu.

Final stop for the evening was Michigan City, Gamma Lambda. Chapter house was full when we arrived. Cliff Wozniak greeted us and made us feel right at home. We had a great fried chicken meal; we enjoyed the company of Fred Klinder joining us to eat. We were able to see friends we knew and met new friends also. Thanks for the Yazzi, Cliff; you were right, not bad at all!

I enjoyed visiting each chapter and meeting everyone. Great hospitality, food, laughter and memories made at each chapter. Thank you Larry and Vonda Detro for planning this year's Chapter Chase. It was a blast!!

As my reign as National Sweetheart comes to an end, I would like to thank Phi Delta Kappa Fraternity for the honor and privilege of being your National Sweetheart this year. This has been a wonderful year of travels, meeting new friends, great hospitality and every chapter making us feel so welcomed.

To my Beta Eta family, thank you for supporting me throughout this year. Thanks to Jeff and Brenda Woolf, Scott and Diana Dull, Bill and Cheryl Robbins, Monty and Bunny Blackburn for traveling with us this year. Fun road trips!

In closing, I want to thank my wonderful husband, Zeke for supporting me and being on this journey with me. His involvement in this great fraternity gave us the opportunity to travel and meet new friends. I will always treasure those memories.

Again, thank you for allowing me the privilege of being your National Sweetheart. It will be an honor to pass the crown to the next beautiful Sweetheart.

I will see you all in Michigan City for convention. Until then, be safe, healthy, have a great summer. God Bless!!
